Medical Information

Allergies: Symptoms
Any Medical Condition or Limitation we should be aware of?

Fee: \$40 Annual dues, due within 2 weeks of registration:

We strive to provide your child a safe place to learn about Jesus and have fun doing it! The \$40 fee per child helps offset the rising costs of running our program. This fee helps pay for your child's AWANA gear – (workbook, vest, badges, awards), trips to the AWANA 'store', the fun games we play, and a possible scholarship (up to \$100) to Solid Rock or Higher Ground's summer camps.

The knowledge your child is being supervised, cared for, loved on and scripture taught by background checked and approved adults who truly want the best for your child is priceless!

Health & Emergency Release

It is understood that parents are the ultimate authority and responsible party for their children's health, safety and behavior. Sterling Baptist Church will be responsible as much as is practical within the program and facilities that we have. We will not be checking the health status of children or adults, nor will we be enforcing strict social distancing or require masks.

Please be responsible for your children's health and do not bring them to AWANA Club if they are ill. This includes having active colds, fever, chills, runny noses or diarrhea within 24 hours prior to club.

If there is an emergency that requires medical attention, our staff and volunteers will do the best they can to contact you but will not hesitate to call 911 and follow the advice of medical professionals as necessary.

By signing below, you (the parent or guardian) agree to hold Sterling Baptist Church and its staff/volunteers harmless of any action or costs, directly or indirectly, relating to the care of your child while they are participating in AWANA.

In case of any emergency, it is important to keep your contact information and approved pick-up persons up-to-date.

Parents/Guardians Signature here confirming you have read and agree to the above:
